March 2016

The Jasper Deutscher Verein was founded in January, 1980 to promote, preserve and celebrate our proud German Heritage in Jasper and surrounding area. The Club is intended to be primarily Social and Not-For-Profit.

Members of the Deutscher Verein Return to School

Each four years, we are given an extra day to try and make an impact on the world. For leap day 2016, some members of German Club used that day to share the joys of our German Heritage.

Dana Schnarr invited German Club members to assist in the Multi-Cultural Day at 5th Street School.

The school included various ethnicities represented in the school.

Greg and Dana Schnarr and their three children, Yvonne Mullen, Mike and Ann Ackerman, Paul and Laura Grammer dressed in dirndls and liederhosen to present the German Culture.

Some German Club members helped students make pretzel pins. Others taught the students how to polka and do the chicken dance.

The Jasper High School students taught the elementary students how to count to 10 or how to say "I Love You" in German.

The evening was filled with lots of smiling faces and lots of parents taking pictures and videos of their children make pins and dancing to the German music.

Was a great way to spend the extra day we were given this year.

Message from Mike.....

We are off to a great start to the new year as we celebrate our German Heritage. We had a nice turnout for wine and pie judging in January as well as bread judging in February. You will find the listing of winners in Barb Schmitt's minutes of the January and February meetings. Thanks goes out to our program providers, Catherine Bramlet for our January program, and Basket Case Brewing for our February program. Be sure to look for Laura Grammer's articles about the Bier Verkoster's February event of beer tasting and picture painting. Thanks to club members who helped to support Dana Schnaar at MultiCulture Day at 5th Street School on Leap Day.

Our March meeting has been scheduled for Thursday, the 17th, which is St Patrick's Day. Be sure to wear green so you don't get pinched. Our program will be provided by the Jasper High School German Students. I am told the program will include a little music, and a game where students will present us with information about some famous Germans and have members guess the identity. German teacher Hayley Arthur is working with students to provide us with a fun meeting. Be sure to come out and enjoy the fun.

Our April meeting has been scheduled for Wednesday April 20th. This meeting will feature a presentation from Jasper native, Don Flick, on L. Frank Baum / Wizard of Oz, the real meaning behind the Yellow Brick Road. This program promises to be informative and fun.

In the spring we plan to have an outing to visit Vonderheide's Hops farm to get a first had look at how an important ingredient to the flavor of beer is now being grown here in Dubois County. As the wineries start to unveil their schedules for late spring and summer entertainment, we plan to continue this year with our summer series of winery trips.

Remember, this is your chance for your voice to be heard. Jasper Deutscher Verein is continuing to forward the project of refreshing and updating the Mural at the corner of 6th & Newton Streets. With the existing mural

showing the signs of age and building owner Bob Herzog needing to perform tuck pointing of the brick behind the mural, the timing of this project is spot on. Thanks to Dan Wehr and Pat Schuler for taking lead roles on this project. As announced at our meetings, if you have suggestions for types of representations that might be considered for the new mural, please get these into Dan Wehr d.wehr@twc.com or Mike Ackerman mike@ackoil.com 812-630-8756 by mid- March for consideration.

Are you interested in purchasing a Deutscher Verein vest? Thanks to efforts of Margie Jefferies, we have a new seamstress for the men's vests, Dorothy Hautsch. Seamstress Barbara Mohr continues to be available to sew vests for the ladies.

Thanks for all you do to keep our German Heritage alive and strong. I look forward to seeing you at our meetings.

Mike Ackerman
President
