*The Jasper Deutscher Verein was founded in January, 1980 to promote, preserve and celebrate our proud German Heritage in Jasper and surrounding area. The Club is intended to be primarily Social and Not-For-Profit.*

## **Laura and Paul Grammer** **2021 German Heritage Award Winners**

Sister Cities of Jasper, the Jasper Deutscher Verein, and the Jasper Partnership Commission recognized Paul and Laura Grammer with the German Heritage Award during their annual German Heritage Dinner held Thursday, October 7, 2021.

Since 1999, Sister Cities of Jasper, the Jasper Deutscher Verein, and the Jasper Partnership Commission have celebrated German American Day in Jasper in October and presented the German Heritage Award. The German Heritage Award recognizes individuals or groups that have generously contributed time, talents, or resources to maintaining, improving or building upon our German heritage in Dubois County.

Paul and Laura have been members of the Jasper Deutscher Verein for many years and have contributed both time and talent to the club. Laura served four years as the Treasurer of the Deutscher Verein and Paul and

Laura provided leadership and support in working to run the booths at the Strassenfest.

In 2019, Laura was instrumental in bringing German Heritage to Thursday evenings at the Strassenfest. As one nomination submitted for the award so accurately stated, "Countless hours were spent in planning and practices, and just plain work!" An additional nomination stated, "Laura's thoughts and dreams, with the support and help of her husband Paul, have been instrumental in bringing German Heritage back to the Strassenfest opening night and ceremonies. Laura's efforts to involve youth in our German heritage are sure to pay dividends forward to our mission of preserving, promoting, and celebrating our German Heritage for future generations."

During presentation of the award, Mary Leah Siegel, President of Sister Cities of Jasper, stated, "Paul and Laura are so worthy of this award. Rarely do you see one without the other, working together, to offer support or lend a hand wherever needed. Their commitment to community, family tradition, and German heritage is simply amazing."

Past recipients of the German Heritage Award are Mary Jo Meuser, Claude and Martina Eckert, Dave Buehler, Linus and Sally Lechner, Joe and Irene C. Eckerle, Danny and Linda Wehr, Leo and Lora Lou Eckerle, the late Lowell and Joan Glendening, Dave and Janet Kluemper, Rafe and Phyllis Ackerman, Vic and Monica Knies, Gary and Rita Egler, Patti Goepfrich, Larry and Betty Hanselman, Ron and Delli Keusch, Jim and Rita Corn, Lois Kuntz, Stan Jochum, Mike and Ann Ackerman, Father John Boeglin, Rosie Stewart, and Al and Judy Bennett.

Lifetime Achievement Award Winner – Matthias Hilger.

**Note of thanks.....**

Thank you for the honor of being presented the 2021 German Heritage Award. It is a great honor to be part of the Der DeutscherVerein.

We would like to thank some people who were instrumental in making German Heritage Night at the Strassenfest a success.

1. German Club Board who approved the funding for the Vision of German Heritage Night.
2. Mike Ackerman who was Chairman of the Strassenfest and allowed the idea to be presented to the Strassenfest Committee for approval.
3. All the club members who setup and teardown the booth, work shifts (sometimes multiple shifts) selling brats and pastries so the funds were available to support bringing German events back to the Strassenfest.
4. Mike & Ann Ackerman and Mike & Bridgett Bartley, current chairmen of the Strassenfest booth.
5. A special Howdy do to Pat & Phyllis Schuler. You made the 4 years of being treasurer at the Strassenfest fun and rewarding. Thanks for your positive attitude and work ethic for so many years as chairman of the Strassenfest Booth.
6. Jim Corn who made the Mai Pole that is used each year for Thursday night. And for all the dedication to the newest project.
7. German Heritage Committee that provides the guidance and support associated with this annual event: Paul & Mary Leah Siegel, Landen Weidenbenner & Branden Ferguson, Yvonne Mullen, Kurt & Ginger Hedinger, Ross Halvorsen & Lacy Apple.

We are so happy to be part of a fun organization!!

**A message from our president**

I hope this Fall is finding you happy and healthy! It was so good to see many of you at the German Heritage Dinner on October 7th. It was a lovely evening with music, singing, and even a little dancing! Thank you to all who celebrated German-American Day and made the evening so enjoyable. Congratulations to the German Heritage Award recipients Paul and Laura Grammer.

Our next meeting will be held on November 17<sup>th</sup> at the Jasper Moose. The program for the evening is an auction to benefit the Student Exchange program. It is

always a great time and a little “fun” competition to see who takes home the donated homemade wines, pies, and home grown turnips. It would be greatly appreciated if our members could donate an item for the auction. All proceeds go help fund the transportation and group tours/activities during the exchange of students both in Germany and when we host students here in Jasper.

The date for our December Christmas Dinner is Wednesday, December 15<sup>th</sup> at the Jasper Moose. Just a reminder to RSVP so that we know how many to count for dinner.

Since 2022 is an even year, during the January 19th meeting we will be having elections for the at-large directors per our club By-Laws...

*ELECTION OF OFFICERS AND DIRECTORS – Officers and Directors to serve on the Board shall be elected at the annual January meeting or at such other meeting as may be directed by the Nominating Committee. The Executive Committee shall serve as the Nominating Committee with the President presiding over the Committee. The Membership will be furnished with a slate of Officers to be voted on at least one (1) week before the election.*

*Nominations may also be made from the floor at the election meeting. Officer election will occur in uneven years; Board of Directors in even years.*

*Term of Office shall be for two (2) years for both officers and directors from January 1st through December 31st or until successors are elected or appointed. There is no limit to consecutive terms anyone may serve, as long as duly elected by members. Any Officer or Board Member unable or unwilling to serve may resign with written notice to the Board of Directors.*

*Any vacancy in any Office may be filled by appointment by the current Board, until the next scheduled election.*

If you wish to become more involved in our club, please consider serving our club on the Board of Directors.

I am excited and looking forward to seeing all of you in person on Wednesday, November 17! Prost!

Mit freundlichen grüßen,

*Paul Siegel*  
President

### **Artisan and Craftsman Exchange**

The details and planning for the Artisan and Craftsman exchange continue between the Jasper Partnership Commission in cooperation with Sister Cities of Jasper, with support from the Mayor's offices of both Jasper and Pfaffenweiler.

Three individuals will travel to Pfaffenweiler to represent Jasper in November:

Jay Hamlin  
Curtis Uebelhor  
Monte Lee Young

Jay, Curtis, and Monte will travel to Pfaffenweiler from November 13<sup>th</sup> to December 1<sup>st</sup> to demonstrate, produce, and sell their products at various locations and at the "open air market" in Pfaffenweiler to be held November 27, 2021.

We are excited to announce that one artist from Pfaffenweiler will be traveling to Jasper in November 2021! Artisan candle maker, Niklas Samuel, along with his girlfriend, Sabrina Dischinger, will be coming to Jasper. We are currently working on flight details and dates as well as details of programs to showcase his talent with the Mayor's office and Jasper Community Arts.

### **Student Exchange**

There will be an auction to benefit the Student Exchange program during the November DeutscherVerein meeting. All proceeds go help fund the transportation and group tours/activities during the exchange of students both in Germany as well as when students are hosted here in Jasper. Thank you for your donation of items and your very generous support each year of this fundraising event. The students from Jasper are excited and early planning has begun for their trip to Germany in June of 2022!

Thank you to the Jasper DeutscherVerein members for their support with all of the programs of the Sister Cities of Jasper. It is greatly appreciated!

*Mary Leah Siegel,*  
President, Sister Cities of Jasper

## **What does my German Heritage mean to me?**

**By: Maddie Wanninger**

### **Daughter of Amy and Jason Wanninger Jasper High School**

Heritage is a word that I never took very seriously as a kid. I was not sure what it meant to me, and for several years, I never really tried to find out. Living in Jasper my whole life, I was always surrounded by my German heritage, but did not even realize it for the longest time. As I grew older and became more exposed to history, and more specifically, my family's history, I finally started to understand the true meaning of heritage, and how important mine is to me and the life choices that I have made thus far.

When given the opportunity to take a language class as an eighth grader, I went home and talked to my family about which option would be best for me. My parents explained my German roots to me, but ultimately let me make the final decision on which language to take. After learning a little more about my history, I immediately wanted to take German and was very excited to do so, as I hoped it would keep me in touch with my heritage. Although taking a language course is often strenuous and time consuming, I was persistent in doing my absolute best. German quickly became my favorite class and something to look forward to every day. This is why, once I found out there were opening to participate in the high schools German Exchange Program, I pounced on the opportunity.

The German Exchange Program gave me the chance to stay in touch with my German roots more than ever before, and I am so blessed to have gone, as it was the trip of a lifetime. The experience that I had while hosting exchange students and visiting the country that my family had come from several generations ago was unlike anything I had ever gone through. I was able to obtain a deeper understanding of traditions and ideas that had always been prevalent in my life, but I never even fully realized that they came from my German past. Although the exchange was a little over two years ago, I continue to stay in contact with almost all of the incredible people that I met throughout the experience.

After taking three years of German class, I decided not to take a fourth in order to have more room for college classes in my schedule, even though it pained me to do so. I still wanted to find a way to involve myself in the German culture of my community, which is why I continued to participate in my school's German club and eventually got a job at the Schnitzelbank. This way, I am able to work in preparation for college and for my future, but also stay close to my roots. For me, developing an understanding of my German heritage has opened my

eyes to the work around me and the importance of keeping the ideas and traditions alive for generations to come.

**German Heritage**  
**By: Emily Roby**

**Daughter of**  
**Mary and Richard Roby**  
**Southridge High School**

German heritage is a very important part of culture both in my family and the community in which I live. German heritage is a part of my family ancestry which is similar with many people in the community of Dubois County. Since my families in Dubois County have some German heritage, there are also different ways we celebrate this as a community such as German festivals and German activities. This also influences language, food, and other parts of culture that can be seen within the lives of people that reside in the community. German heritage means a lot to me due to how it has influenced me throughout my childhood and how it is present in the community that I am a part of.

I have German ancestry within my family, which has affected my family's culture such as with the food we eat, what we celebrate, and what I have learned growing up such as language. As I grew up, my mom would teach us some words or phrases to speak in German. I learned things such as how to say I love you, please, thank you, you're welcome, hello, and goodbye. This caused me to lean more towards taking German as a foreign language class in high school instead of taking Spanish which was the only other option. I later learned after joining the class that the German language comes pretty easily to me. This is probably due to the fact that my mom taught us part of the language already throughout my childhood. Also, when I was growing up, my family and I always went to festivals that celebrated German heritage such as the festivals that are held in Jasper, Huntingburg, and Ferdinand. These fests are called the Herbstfest, Strassenfest, and the Rosenvolk Festival. These German festivals showed me how much German heritage is also a part of the community. All of these festivals were a part of my childhood, and the food I ate there influenced some of my likes regarding German food. Some German foods that I love to eat include sausage, brats, and pretzels. There were also different activities within the festivals that I participated in. One example is when my German teacher had us do a scavenger hunt at the Rosenvolk Festival in Ferdinand. During this activity we had to speak German with the actors that were a part of the festival to figure out the answers to our worksheet.

As previously shown German heritage is a big part of my life and influenced me in different ways throughout my childhood. I was also influenced by the community of Dubois County and the German Festivals that are held each year which have a lot of German heritage. Being surrounded by people of German heritage influenced me such as the food I like and the language I am learning to speak. The influence of this German community has made an impact of my life and means a lot to me.

**German Heritage**  
**By: Dylan Weyer**

**Son of**

**Forest Park Jr./Sr. High School**

Living in Dubois County, there is a large German Heritage present in our area. In my family, the influence is evident and influential to our values. It's even in my grandpa's name: Schwartz. In our family, our German Heritage can be seen through our family, food, and business.

In my family, there has always been a strong sense of unity and friendship. From before I was born and still going to this day, my grandparents host a family supper every Sunday. Over the years, this has made our family grow closer. I am a firm believer in a strong family making for better offspring, having strong family values instilled from a young age. It was amazing to me when I learned that from nearly 25 years ago, my great grandparent did the same thing, just with even more people. Whereas in my life I have been used to twenty people, they used to have family suppers for nearly sixty people! A strong family life has been a true German Heritage trait in my family, and I plan to keep it that way.

With all these family gatherings, there is a lot of great food, some strong German roots. I have always known my Grandpa to enjoy sauerkraut, and can recall helping make it a few times when I was young. It goes great with sausage, something we still grill on Sundays. My grandparents and family also help manage a huge family garden and a small vineyard. I have helped manage lots of different plants ever since I can remember. A few times as a child, I remember helping my Grandpa with certain steps of his homebrew and wine making processes. I would go into the basement and see the back room entirely filled with his supplies. It is truly an art, and though I have yet to attest to his efforts, I have seen all the hard work that he put in. Of all the foods my Grandpa has made, it never lasts long so it must be good!

Another value my Grandpa has helped me gain is a strong work ethic. I have heard many stories from his experience with local business. He has told me of the

triumphs and hardships during his years at Jasper Cabinet. He worked his way up the ranks to eventually become president. After that, he started a laser business, which has turned into a family business that continues to grow today. I have spent thousands of hours working there, where my family has taught me invaluable business skills.

In Dubois County we have a strong German Heritage. It is evident many features have stuck with us into the present. My family especially has instilled many German Heritage values in me that I will be forever grateful for. I look forward to keeping alive parts of the heritage that has turned into our family traditions.

**German Heritage**  
**By: Corbyn Schnell**

**Daughter of**  
**Lee and Danielle Schnell**  
**Northeast Dubois Jr/Sr High School**

I feel I have a good understanding of what German heritage is due to both sides of my family being German. I have found that number one quality in Germans is craftsmanship. German Americans came to Dubois County and found great quality hardwood timber. The white and red oak had supreme quality veneer. The first German immigrants to settle in Dubois County were great wood workers and crafter oak into beautiful cabinets, desks, flooring, and other types of furniture. German heritage means taking pride in everything you do. I am proud to be born and raised in Dubois County and continue my German heritage.

I feel our German heritage has contributed to great entrepreneurship in the area. Many successful corporations started in Dubois County. Kimball International, MasterBrand, Best Chair, and Jasper Engines and Transmissions are just a few that started out in Jasper, Huntingburg, and Ferdinand.

Next, I can't leave out the Dubois County German trademark my grandparents and parents have reminded me about, work ethic. Our county has had the lowest unemployment rate for years. This is proof that Germans do not mind working. If you ever noticed the beautiful yards and landscaping within the county when driving through towns like Holland, Celestine, and Saint Anthony. These beautiful homes and farms you see around the area do not just happen by chance, it takes hard work to build, maintain, and pay for these properties.

Also, our German Heritage is expressed in the Catholic faith and churches within the area. Jasper has one of the most picturesque Catholic Churches within the tristate area. It's architecture and stained glass windows

are breathtaking. Every small town within the area has a beautiful German Catholic Church, usually filled to capacity during Saturday evening and Sunday morning mass.

Furthermore, I feel German heritage is based on the traditions we have within our families and communities. Traditions, such as butchering a beef or multiple hogs on a weekend to provide meat for families. Celebrating our German heritage by attending festivals such as Jasper Strassenfest, the Ferdinand Heimatfest, and the Huntingburg Herbstfest. Another unique tradition in the German American Community that occurs between Christmas and New Years is "Tree Hopping". This is described as friends and family members going from house to house and eating holiday leftovers. Another interesting German tradition consists of the youngest male having the family farm deeded to him to continue the farming legacy. I currently live on a farm that has been in my family a total of four generations. My parents plan on passing down the farm to keep the tradition alive.

Lastly, I feel our German Heritage means being very thrifty with money. Germans are great savers and stretch a dollar very far. This is evident with the amount of "old money" within the county. Many banks and credit unions operate within the area. This allows the German American to save, store, and invest their earnings. This is how German American Bank Corp came into existence.

## Die Jugend

For the first time since I've been sponsor of the SchneckeHiisli (JHS German Club), we had to hold elections for officers. Maddie Wanninger is now Präsidentin, Avery Knies Vizepräsidentin, Abby Aders Schatzmeisterin, and Dawson Neff Sekretär. Currently we do not have any activities planned and the level of activity really depends on the club officers; I have plenty of ideas and club members know that GJCS Bus #32 (and its driver) is always ready for a field trip.

Our exchange student from Pfaffenweiler, Benneth Mayer, is doing very well and is thoroughly enjoying his time as a player on the Jasper High School football team.

This year's fountain pen order has arrived and all pens are the LAMY Safari in Savannah green. Students have had a couple weeks to bring their pen barrels to Four Star Awards for laser engraving and as soon as they are all back we'll go through the introduction/usage agreement and start trying them out on fountain-pen-friendly papers.

After a trial run at the German Club Picnic, I organized everything to serve Spaghetti-Eis to all 92 JMS and JHS German students. This time I used a foundation of whipped cream for every serving and I used the same Spätzle press that I borrowed from the Schnitzelbank. If we do this again, I'll have to organize additional presses, so that I am not the only one pressing 92 servings of hard ice cream through spaghetti noodle-sized holes.
