Die Zeitung

September 2024

The Jasper Deutscher Verein was founded in January, 1980 to promote, preserve and celebrate our proud German Heritage in Jasper and surrounding area. The Club is intended to be primarily Social and Not-For-Profit.

Co-Winners of the 2024 Hoosier German-American of the Year from the Indiana German Heritage Society

Each fall, the Indiana German Heritage Society recognizes an individual or group who has made a significant contribution to the cultural and historical heritage of the Hoosier German-American community. This individual and/or organization must have been active in the German-American Community of their area for a minimum of 10 years.

The co-winners of the 2024 Hoosier German-American of the Year have been announced and the recipients are Patti Goeprich (individual) and the Jasper DeutscherVerein (organization). The award will be presented at the opening ceremony of the 16th Annual GermanFest on Saturday, October 5th in Indianapolis at the Athenaeum. The event lasts from 12:00 p.m. - 6:00 p.m. Join for food, live music, beer, and more!

German Club members are encouraged to attend to celebrate with Patti Goeprich on her dedication to the club as she receives this award, along with Landen Weidenbenner (President) as he receives the award on behalf of the entire Jasper DeutscherVerein.

Some of the past recipients of the award include Dr. Eberhard Reichmann, Hon. Senator Richard Lugar, Dr. Ruth Reichmann, Dr. Giles Hoyt, Matthias Hilger, Sven Schumacher, and the Indianapolis Liederkrantz.

GermanFest information and ticket information for this event are included later in this newsletter.

Glockenspiel – 2024

A new feature of the Glockenspiel stage, that was originally introduced in 2022, is Jim Corn's rendition of a carver at work on the right-hand side of the Glockenspiel.

Jim, a Master Carver, has spent countless hours on projects for the Jasper DeutscherVerein. In early 1985, he began working on the Mai Pole at 6th and Newton Streets and in 1998, he carved a snail out of wood and the wooden snail was presented to the Community of Pfaffenweiler. Jim coordinates the Dubois County Stone Carver Group at their "home" in the Dubois County Museum.

A note of thanks from the JHS German Exchange Group

Having the Strassenfest back on the square this year proved to be a great change for our souvenir and t-shirt sales! The profits from the Information Booth souvenirs help fund the German Exchange program and this year's sales exceeded last year's! Our new corner location was a great spot for traffic.

The German Exchange students and their families were asked to work one shift and interact with Strassenfest guests by selling souvenirs and answering a wide variety of questions. The students were also asked to volunteer to be Fritz or Fraulein throughout the Strassenfest. Thanks to the students who worked booth shifts and brought those characters to life. Also, thank you to the Strassenfest Committee for giving us the opportunity to run the booth and promote the Exchange Program.

A special thanks to Sandy Wehr and Mr. Dan Otto for all of your extra help and a big thanks to Andrea Gehlhausen and Sarah Hulse for being co-chairs of the Information Booth with me.

There will not be a newsletter in October. We will have newsletters for September, November, and December. We will not have a newsletter in January.

Carrying the German State Flag Banners

Saint Joseph Church has a yearly German Heritage Mass on Sunday of Strassenfest. This year, our German Club agreed to share their banners showing the states of Germany for the opening procession into church.

The mass is currently featured on YouTube. We have received many positive comments about the flags, and have been urged to do it again in future years.

Thanks to the volunteers that agreed to carry these tall banners into church:

Bridgette and Mike Bartley, Joe Fierst, Sara and Dan Fritch, Patti Goeprich, Nancy and Ed Kreilein, Ruth Kuebler, Renee and Jason Nord, Paul Siegel, Dan Wehr, Dave Wehr, and Nancy and Van Ziegler.

Annual Strassenfest Sheephead Tourney

Congratulations and thanks to Nancy Prechtel for overseeing the 2024 Sheephead Tourney. We had a total of 40 players (36 veteran and 4 novice) on 10 tables. Nancy also solicited and collected the prize donations.

Information from the JHS Student Exchange Group
(Printed in the Ferdinand News, Thursday, June 27, 2024)

The Fearless Vier, as they call themselves, left Jasper on May 30 to spend the next three weeks with their exchange partners at Staufen Gymnasium in Staufen, Germany.

Jillian Troutman, Ruby Wanninger, Madi Case Hulse, and Owen Gehlhausen, along with chaperones Dan Otto and Sandy Wehr, started their adventure in Munich, where they visited Dachau concentration camp and took a side trip to Salzburg, Austria.

They then headed to Staufen to meet their partners. The students immersed themselves in German language and culture by living with host families in Staufen and Pfaffenweiler, Jasper's Sister City. Besides going to school every day, the group traveled to nearby cities in France and Switzerland, and the neighboring towns of Gutach and Heitersheim.

American and German partners also enjoyed a day at Europapark, riding all the roller coasters. The Fearless Vier spend one day with Fritz Gutgsell, getting to know the history of our Sister City and meeting residents of the town. The group will welcome their exchange partners to Jasper in September.

A message from our president

I want to first start out by thanking all of our members for all of their hard work at the 2024 Jasper Strassenfest. What a great year we had - the weather was in our favor and we were blessed with a great crowd. It sure does take a village to ensure our booth runs like a well-oiled machine. Again, it takes a lot of hard work (and beer) to pull this off each year, and I cannot thank each of you enough.

I would like to specifically thank Mike & Ann Ackerman. Mike and Ann work tirelessly to ensure all worker shifts are covered, all of the logistics are taken care of, and that all items are in order each and every day. I would also like to thank Mike and Bridget Bartley for being in the booth each day and helping keep the booth running in tip-top shape, and for guiding our booth chairs each day. A big thank you to Valerie Heim and Sherri Uebelhor for providing our community with great German Heritage performances and bringing the Glockenspiel to life again this year. Finally, a big thank you to our Vice President, and Strassenfest Chairman, Laura Grammer for getting us all back on the Square. Everything was perfect, and the response from the community has been nothing but positive. For anyone else I may have missed, thank you! Without all of you, none of this would be possible. Thank you to you all for living out our club's mission by helping promote and preserve our German heritage. Prost!

WDRB Crossroads segment on Jasper Strassenfest

Dalton Godbey from WDRB, came to the Strassenfest to get the feel of the German Festival in Jasper Indiana. The teaser is on Facebook. The 22-minute-long program, will need to download the WDRB App. Working to have this available for the September German Club Meeting.

Some familiar faces include Birnie & Margie Jeffries, Dave Buehler, Danny & Linda Wehr, Dave & Nancy Prechtel, Leo Eckerle & Henrietta Harder, Paul Siegel, Paul & Laura Grammer, and so many other German Club Members who are participating in the Parade to the Beer Garden.

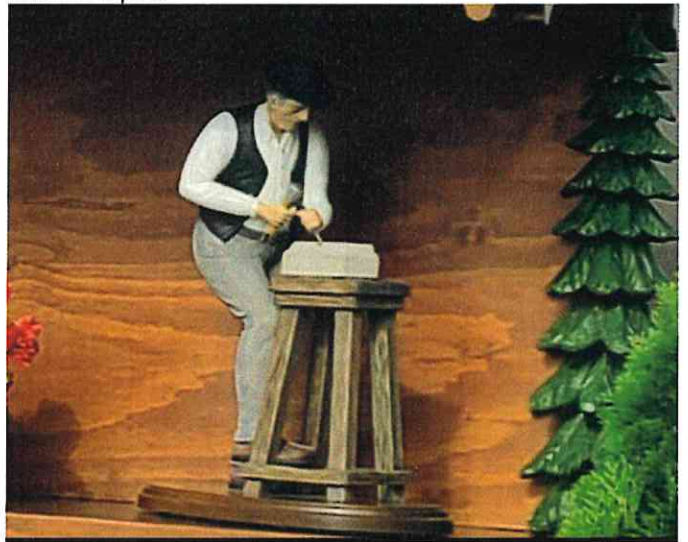

Der Deutscher Platz

As Strassenfest Chairman, it was my great pleasure to work with the Strassenfest Committee to get the Strassenfest moved back to the square. One of the wonderful things was being able to get der Deutscher Platz back to its original location.

Mehring Plumbing and Heating hung the streamers. Luke Musselwhite, Corie Eckerle and Paul Grammer installed hardware to put up umbrellas. Buschkoetter's Nursery provided the flora and fauna that transformed the Glockenspiel into what appeared to be a permanent structure. Had a few questions about where to find the Glockenspiel the week after Strassenfest. The one person said they know it was built close to Main Street

For those of you who did not make it to the Strassenfest, here is a picture of the carving that Jim Corn did for the Glockenspiel.

The other thing that most people aren't aware of is that the Glockenspiel was set on a road that had some really weird angles and curves. Mike Ackerman took up the task of creating a process to keep the Glockenspiel safe for the kids who perform. Unfortunately, the road will change next year and all this work will need to be redone again.

The trailer arrived with a jigsaw of pieces.

Look how far off the ground the Glockenspiel is. That was scary to have children on the stage and nothing to keep them from backing up and falling off.

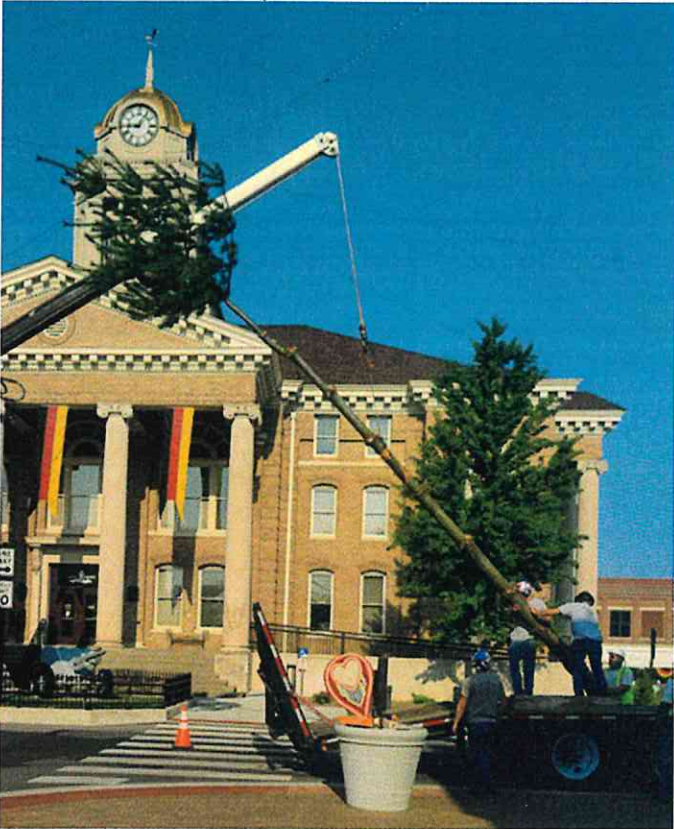

Jim Corn and Paul Grammer stepped up and made the tree outlines for the stage. We found a picture of trees and printed off a 4' x 4'. Then Jim and Paul used a jigsaw and cut out all of those little edges.

The other major addition to the square this year was the first Live Maypole (Mai Baum). Dave & Sawyer Ruhe cut down and delivered the tree. Mike Ackerman engineered the ring that holds the flowers and the ribbons. Brandon Ferguson and Landen Weidenbenner put on the flowers. Laura and Paul Grammer put on the Ribbons. The City of Jasper Electric Department brought a few trucks and Sawyer Ruhe from Tree Pros Inc., delivered the tree with a few trucks.

The City of Jasper Electric Department used a line truck to set the tree into the ground. Then secured it with staves of wood to keep it secure.

After the tree was in the ground, in the hole in the road that the City of Jasper allowed us to do for the May Pole, then the Ring had to be attached and the Strings released. Thanks to Mike Ackerman and Paul Grammer and the City Electric Department employees, especially Flip, who made it happen.

Here is how it looked before the May Pole Dance began. And then 55 MPH winds came with a storm. Concerned that the first May Pole might be the last if the winds took it and slammed it into a shop window, went up to watch it happen. Imagine the joy when the city had already arrived to put a line trick on the tree to keep it safe!! We live in a great city!!!

A message from our treasurer

Strassenfest German Club Booths have successful year.

The opportunity to move the Jasper Strassenfest back to the remodeled courthouse square did create a variety of challenges and opportunities for changes. The efforts of the Strassenfest committee led by Chairman Laura Grammer to consider the opportunities created to reconfigure the placement of the main stage, Mai Pole in the street, Glockenspiel and booths, gave the Strassenfest guests a wonderful experience. With the overwhelming majority of all comments that I heard very positive, let us all provide congratulations to the committee on a job well done.

Our club's support of German Heritage events fit well with the theme of this year's Strassenfest, German Flair on the Square. Thank you to each of the club members who helped to organize and run the German events at opening ceremonies, and on the Glockenspiel performance stage. These events tailored to appeal to both children and adults, helped our club to meet its purpose to promote, preserve and celebrate our proud German Heritage.

This positive guest experience translated into strong sales for nonprofit booths, with several booths selling out of various food items. The same record sales held true for Jasper DeutscherVerein booths.

This would not have been possible without the cooperation of our membership to give back to the club by working one or more shifts at our booths. A special thank you to our booth chairs, Bridgette and Mike Bartley and Ann Ackerman and to our day chairs, Kevin Bartley, Kevin Mullen, and Mike Jahn for stepping forward to support our Strassenfest booth operation. The booth sales could not have happened without the efforts of the club members and volunteers that assisted with putting up the booths and decorations on Monday evening and taking the booths down and loading out on Sunday

morning and afternoon. With the Strassenfest booth net income providing about 75% of the income for our club's operations and support of its projects, membership support to work together to raise money through booth sales is critical to our existence.

We are always interested to include new talent that wants to be more involved in all aspects of our club operations including leadership positions for booths and German heritage events during Strassenfest. Please take the effort to step forward and make contact with a club board member to let us know how you want to become more involved.

Finally, congratulations to our club and to Patti Goeprich on being recognized by the Indiana German Heritage Society for efforts to promote our German Heritage in Indiana.

Continue to encourage friends and family to join our club. Involved members help to keep our club thriving and growing as we continue our mission to promote, preserve and celebrate our proud German Heritage.

Sister Cities of Jasper September 2024 Update for Jasper German Club

On behalf of the Board of Directors for Sister Cities of Jasper, we thank you for your support of the two exchanges we conducted during the summer of 2024, and we are excited to share some updates and upcoming happenings!

Student Exchange 2024 Group Update

As you may recall from previous newsletters, four students from Jasper traveled on the student exchange during June of 2024. Now the next step...from the other side of the student exchange, sixteen Staufen students will be coming from Germany in the Fall of 2024, currently they are currently scheduled to be in Jasper **from September 27th to October 11th**. We are looking for additional host families/students in Jasper while this group is here! Please let us know if you are willing to host a student during these dates!

Student Exchange 2026 Group Update

Our next group of students for the 2026 exchange is forming (Wow, 17 have expressed interest!). In fact, most of them have already begun fundraising by working at the Information Booth at the Strassenfest. Additionally, we have several fundraisers planned for this fall:

September 29th - Sonntag Mittagessen - Drive Thru Dinners at The Schnitzelbank from 10:30 – 1:00pm – Tickets are \$18 each for your choice of either Fried Chicken (Light or Dark) or Two Bratwursts. Meals will be served with German Fries, Green Beans, Cole Slaw and Cookies. Contact Sandy Wehr for tickets: 812-630-2621 or tickets will be available at the September meeting.

November DeutscherVerein Meeting - Auction of Items to Support the 2026 Student Exchange - Exchange Student families and DeutscherVerein members bring donated items (pies, furniture, gift baskets, wine, etc.) to auction during the meeting. It is always a great opportunity to have some fun and raise money for the student exchange that serves as the cornerstone of our sister city relationship.

Culinary Exchange 2024 Update

We are excited to have just completed our first Culinary Exchange! The three individuals from Jasper on our first exchange Jamie Boaz, Kim Mitchell, and Haley Ondiek will be "giving back" and sharing some of their recipes and culinary skills at the **October 6th German Heritage Lunch and Award ceremony**. We cannot wait to hear about their exchange trip and get a "taste" of their experience at the event on October 6th!
